## **TokenStars July Report: Passion for sports and blockchain continues to grow**

In the middle of the summer, TokenStars team built upon the success of previous results and continued development of all directions evenly. Here is the detailed information of what was done in July:

- ★ One more stunning fan activity with Veronika Kudermetova
- ★ New poker players joined the Scouting Module
- ★ TokenStars joined Delta Platform
- ★ New team members

### **One More Training With Tennis PRO**

Our [Fan Communications](#) activity with [Veronica Kudermetova](#) in June became a huge success and we have received requests to conduct one more. On the other hand, Veronika also enjoyed training with her fan and as a result, we have agreed to make new training. We were glad to see that this opportunity attracted a lot of attention and simply overwhelmed that both Veronika and Alexandr enjoyed this meeting. As for the last time, we prepared [video highlights](#) of this training with Alexandr’s feedback.

### **Awesome Scouting Results**

This July we scouted two new poker players [Konstantin Guz](#) and [Lukas Fruhbauer](#) on our platform who successfully joined our module, passed community voting is now under experts review.

## TokenStars team reinforcement

While the TokenStars continues to grow in a full swing, we'd like to introduce our new team members.

Please meet the poker guru Andrey Ermilov. He will make an effort to bring the TokenStars poker department to the new level. His experience ranges across a variety of industries. eSports, Blockchain, Digital marketing.

“It is an honor for me to join the TokenStars company. I think it's an incredible project”

In July one more great specialist joined and strengthened our team. Meet [Andrew Kostecky](#), our new business developer. Ex-InStat product manager — The world's leading sports statistical provider, ex-CBDO at Krypton Moscow, and an executive producer at 3R interactive movies company.

“I personally believe that blockchain integration with sports can bring sports entertainment to a new level.”
