Tokenstars organized a Contest together with Veronika Kudermetova

October will be remembered for the contest with the top WTA player - [Veronika Kudermetova](#). The task was to post a tennis photo on Instagram with #veronikatokenstars hashtag. As a result, 16 people from 3 countries took part in this activity and Kudermetova have chosen 9 years old Polina as a winner. Polina has received **5000 ACE** and an **outfit** worn by Veronika at the Asian “Swing” and Kremlin Cup.

Soon we will have other activities on the TokenStars platform with our Athletes. Don't miss them!

Valeriya Olyanovskaya gets her first WTA points

In October our young talent [Valeriya Olyanovskaya](#) took part in 2 tournaments and we are happy to remind our community about her promising results.

At the beginning of the month, Valeriya participated in ITF Chornomorsk W15 and she has reached the semi-final in singles. Later Valeriya took part in ITF Telavi W15 and together with her partner Iveta Daujptaite she got to the final match. Valeriya and Iveta were just one rally away from victory but unfortunately, luck wasn't on their side in the tie-break of the decisive set.

Our team is glad about Valeriya's latest performance and we are optimistic about her next games.
