### **Two contracts are signed**

We are working to develop our team and are looking for players who share our values. This August two poker PROs joined our team.

Sergey Kezik is from Belarus. He is 38 years old and he has played poker for 13 years so far.

ROI **34.6%**

Profit **\$1,833**

Andrey Kolkovski is only 22 years old. However, he took part in more than 37,000 tournaments. His profit for the entire time is **\$4,821**, his ROI is **13%**.

The first funding to the players as a backing was transferred. Now the game is at low limits and we are closely monitoring the progress of Andrey and Sergey.
