

## TokenStars November report: Talent is our everything

At the end of autumn, the TokenStars team built upon the success of previous results and continued development of all directions evenly. Here is the detailed information of what was done in November:

- Poker tournament
- Davis Cup Finals in the Predictions
- Scouting module

### Poker tournament

Several times a year, we hold tournaments for everyone, where you can compete with other members of the TokenStars community and even get a share of the prize pool.

The tournament format is No-Limit Holdem, with nine players per table max. The prize pool in TEAM tokens, prizes are transferred to your wallet after the tournament. The tournament is held on Pokerstars.com in the home games poker club for play money chips (you must have at least 20,000 chips to participate).

We have already held eleven tournaments and raffled off more than 150 thousand TEAM tokens. Don't forget to register for the new tournaments in the Bounty section: <https://tokenstars.com/bounty>.

### **Davis Cup Finals in the Predictions**

The predictions module allows users to make daily sports predictions and get token rewards. The contests increase token demand, attract new users to the community, and help to gather

valuable data for development in growing industries, like betting and talent assessment.

This time we decided to dedicate predictions to the Davis Cup Finals. It passes from 25th November till 5th December.

**Distribution of tokens:**

- First place — 3800 TEAM
- Second place — 2550 TEAM
- Third place — 1750 TEAM
- Fourth place — 1150 TEAM
- Fifth place — 750 TEAM

### Scouting module

This month we had five applicants from poker talents in the scouting module. You can find the short information about everyone below:

- *Vadim Panasiuk is a 27yr-old player from Belarus; ROI is 52%. He has 80% of the votes;*

- *Vladislav Kononov is a 27yr-old player from Russia; ROI is 21%. He has 75,3% of the votes;*
- *Sergei Klipp is a 41yr-old player from Belarus; ROI is 30%. He has 71,8% of the votes;*
- *Pavel Kovalevski is a 26yr-old player from Belarus; ROI is 30%. He has 74,4% of the votes;*
- *Roman Kazantsev is a 21yr-old player from Russia; ROI is 24%. He has 84,6% of the votes;*

Thanks to the positive statistics, we admitted all players to the voting stage. Thus, all poker players received approval from our community. Now we are working on the terms of contracts that we can offer to players.

And we had three more applications from tennis talents:

- *Freddy Murray – 18 y.o. talented tennis player from Ireland – joined TokenStars platform. Here is his [ITF profile](#)*

- *Taymur Muhammad – 15 y.o. talented tennis player from England – joined TokenStars platform. Here is his [ITF profile](#)*
- *Godfray Yobixs – 16 y.o. talented tennis player from Uganda – joined TokenStars platform*

We're glad to welcome such promising players to our scouting system!

Now our expert evaluates their skills and very soon we will put them up for voting. Stay tuned to vote for the bests.
