TokenStars Partners With Nomadic Capital

Nomadic Capital has become our partner at the beginning of 2018 and supported TokenStars by investing in TEAM and increasing the awareness of our project in the MENA region.

- ✓ First partnership with UAE cryptocurrency startup is signed.
- ✓ Nomadic Capital provided financial support on TEAM token sale.
- ✓ This partnership allows TokenStars to expand the network on a strategically important MENA market.

Nomadic Capital is an incubator of fresh new ideas, which aims to support all potentially viable ideas, no matter at which stage, and to encourage the startup ecosystem in the UAE primarily and GCC/MENA. Nomadic has expanded its wide array of services in order to offer a full-fledged turnkey solution.

NOMADIC
CAPITAL LIMITED
stay innovative

Cooperation with Nomadic Capital allows TokenStars to enter the fast-growing markets of the Middle East and build an efficient marketing strategy with advertisers. Through this partnership, Nomadic Capital will use their resources to engage the local brands, celebrities, and fans in the global community that TokenStars builds.
