September Monthly Report: Spring Years In Autumn

This month we were focused on diverse and involving communication with TokenStars token holders as well as on creating new opportunities for our signed players to grow their influencing potential. It's important to take stock and we're pleased to share the most significant news of last month with you.

- TokenStars organized its first free-entry poker tournament.
- 5 new players joined our scouting system.
- Head poker coach held training with TEAM token holder.
- The advisory team was strengthened.
- Football week was successfully held.

First Free-Entry Poker Tournament

One of the most notable activities of this September became our first free-entry poker tournament with a prize fund of **17.500 TEAM** tokens. This tournament was held on Pokerstars.com, every registered user had a chance to play with TokenStars PRO poker players on a reliable and well-known platform. According to the results of the tournament, the bronze medalist won **3500 TEAM** tokens, the silver medalist get a reward of **5250 TEAM**, and the winner received the main prize - **6125 TEAM** tokens. We received positive inspiring feedback from participants, and there is a chance that we'll organize such a tournament in the future.

Clients' Portfolio Strengthening

In September TokenStars made a step forward in strengthening the scouting system - professional poker players [Jacob Lizotte](#), [Alexander Kuzmin](#), and promising tennis juniors [Bekhzod Rasamatov](#), [Mark Tryakshin](#), and [Artjom Matus](#) joined our platform. Votings for Jacob and Alexander are already closed, they've successfully moved to the negotiation stage. We're more than happy to see that our community is supporting new players and actively votes for them.

[Alexander Kuzmin](#) is a professional poker player from Russia with an incredibly high average ROI - **349%**. We're sure that the cooperation with this player will be **profitable** for both sides.

Team Upgrades

Recently **Pavel Stukolov** moved to an advisor position in TokenStars. Together with Elena Masolova and other advisors, he continues to consult the team, share his professional expertise and keep an eye on the project's development. Pavel commented on this news: "TokenStars gained good momentum, and I think that the team has all the chances to move the platform to the next level. I root for TokenStars and will surely provide all the necessary recommendations to help the team"

Philipp Tsagolov, General Manager of TokenStars, also shared his thoughts: "I positively evaluate our progress: we significantly expanded clients' portfolio, the team is strengthened by excellent professionals, and TokenStars also began to monetize operations and create revenue streams, which were planned in the white paper."

Training Session with Poker PRO

We're glad that training with our signed players is in demand and this month we organized a new training session with TokenStars head poker coach - **Tobias Schaaf**. In 1,5 hours player participated in several tournaments, and after it, Tobias helped him to analyze the game and gave personalized recommendations. Tobias also shared his theoretical lectures and PRO tips, which will help further develop the player's skills.

Reward for Football Fans

Besides the fact that recently FC Zenit player **Alexey Sutormin** signed a contract with TokenStars, last month we decided to revive a good tradition and dedicated monthly predictions contest to football. We included the most intriguing matches and interesting forecasts in this Football Week, so there is every reason to believe that football fans liked this competition. Top-100 contestants shared **5000 TEAM** tokens, including the winner with **2170 STAR** points and the main reward of **500 TEAM**.
